Limited wild camping

Wayfarers should be aware that the Trailblazer Rest sites haven't been designed as full-service campsites - they are small waterside sites suitable for individuals or small groups with 1 or 2 man tents, and staying for single nights only. Larger groups or those wishing to camp for more than 1 night should book into one of the Glen's commercial campsites instead. As space at the Trailblazer Rest sites is limited Wayfarers should have a 'Plan B' option for each of their overnight stops in case their preferred spot is full when they arrive.

Thank You

The Great Glen Canoe Trail partnership would like to acknowledge the generous support of the following activity companies who are helping us to service and care for the Trailblazer Rest sites.

Camping on the Caledonian Canal

We understand that some of the Great Glen's way-farers are seeking a wilderness experience and want to 'wild camp' on their journey along the Caledonian Canal.

The following informal canalside pitches are available for use by individuals and **small** groups with **small** tents for **single** nights only (we reserve the right to deny access as space is very limited) :

Moy Bridge (West)

(max 4 tents or 8 people)

Laggan Locks (South shore)

(max 5 tents or 10 people)

Kytra (South)

(max 3 tents or 6 people)

Gairloch (by picnic area)

(max 6 tents or 12 people)

Aberchalder (South)

(max 3 tents or 6 people)

Seaport Marina (inside fence)

(max 4 tents or 8 people)

Commercial camp sites near to the Waterway:

Gairloch (Holiday Park) T: 01397 712711

Fort Augustus (Stravaigers Lodge) T: 01320 366257

Foyers (Loch Ness Shores) T: 01456 486333

Inverness (Bught Park) T: 01463 236920

Please respect the Canal's status as a Scheduled Ancient Monument by leaving your pitches litter-free and by not setting campfires. The Canal is also a workplace; please ensure your tents don't block access to locks, bridges, toilets or other buildings and paths – if in doubt, please check with our staff.
